PROFILE SUMMARY

Frontend Developer with knowledge of HTML, CSS, JavaScript, and React.js. Able to build responsive and user-friendly websites. Quick learner and passionate about creating clean and functional web interfaces. Looking for an opportunity to grow and contribute in a dynamic team.

EDUCATION

Bachelors in Computer Application,

Sahyog College Of IT & MGMT.

2022 – 2025 | Thane, India

PROJECTS

Tours and Travels Website :

Explore the world with ease! This dynamic travel website, crafted with HTML, CSS, and JavaScript, offers a captivating user experience. Browse stunning destinations, book unforgettable journeys, and discover exciting travel deals – all within an intuitive and visually appealing interface.

Smart Delivery Dashboard :

A modern Smart Delivery Dashboard built with React, Express.js, and TypeScript to streamline partner management and optimize order assignments. Features include real-time status updates, role-based access, and interactive UI components for efficient delivery tracking and control.

PDF Converter :

Developed a PDF converter using JavaScript. This project enables users to convert various file formats (e.g., images, text files) into PDF documents. Demonstrates proficiency in JavaScript, DOM manipulation, and file handling.

SKILLS

Programming Languages :

Python, Core Java.

Web Technologies :

HTML , CSS , Javascript , TailwindCSS.

Database Management :

MySQL.

Tools & Frameworks :

VS code , git , github , React js.

CERTIFICATES

CSS , Bootstrap , Javascript and PHP Full Stack Crash Course.

-Udemy

GenAI , Data Science & Machine Learning with Python.

-TCR Innovation.
